

MARKETING YOUR HOME

Your home in front of thousands of buyers.

Century 21 Alliance runs its own social media program, with an in-house team posting to Facebook, Instagram and TikTok. Here is how that audience has grown.

2026 YEAR TO DATE Jan 1 to Sep 23, 2026, all three platforms. Growth is the monthly average vs Jul to Dec 2025, the earliest period we track.

Tracking began June 2025, so a full prior year is not available. "Per month" compares the 2026 monthly average (Jan 1 to Sep 23) with the Jul to Dec 2025 monthly average. Engagements are likes, comments, shares and saves. Facebook no longer reports reach on photo posts, so 2026 Facebook reach counts video only and is understated.
