WHAT THIS MEANS FOR YOU**1****Listing posts, done for you**

The company social team builds Just Listed, Open House, Under Contract and Just Sold posts and publishes them on all three platforms, credited to you.

2**Reels shot and edited for you**

Video is what drives the numbers above. The company produces the reels, you show up in front of a bigger audience.

3**Your seller sees the results**

The weekly Owner Story email shows your seller exactly how many people saw their home. Ask Larissa or Cheryl to add them.

4**You get notified every time**

An email hits your inbox the moment a post about your listing goes live, with the link ready to share.
